

HP e3000 Tools Promotion

As a Platinum Partner for migration solutions, Speedware is pleased to team up with Hewlett-Packard to offer special promotions on our AMXW and DBmotion migration tools as part of HP's hardware purchase incentive program.

Promotional Offer 1: AMXW Application Migration Tool

Speedware will provide customers with a limited license of the AMXW tool to migrate the first 100,000 lines of their COBOL, FORTRAN, SPL, C or Pascal code at no charge, upon redeeming this coupon.

About AMXW

[AMXW](#) (Automated Migration to UNIX and Windows) is a complete tool designed to migrate HP e3000 COBOL, SPL, C, FORTRAN and Pascal application environments to the HP 9000, Integrity Itanium, Windows, Linux, Sun or AIX platforms.

* Details:

- Additional rights may be purchased from Speedware or any Tools Partner at a discount of \$5,000 off list price.
- This promotion includes the runtime for a single processor. If the Customer purchases a multi-processor computer, additional run-time processor licenses will need to be purchased in order to take advantage of this promotion.
- Customer must purchase from Tools Partner a one (1) year "Annual Maintenance and Right-to-Use" (support) contract in order to benefit from this promotion.

Promotional Offer 2: DBmotion Database Migration Tool

For every coupon redeemed by a customer, Speedware or one of the Tools Partners will provide one (1) month free usage of the DBmotion database migration tool*.

About DBmotion

Speedware's [DBmotion](#) database migration tool is specifically designed to help companies easily migrate their TurbolImage, KSAM and flat-file databases residing on the HP e3000 to Oracle or Microsoft SQL Server.

* Details:

- This offer is equivalent to a one-month lease of the DBmotion software. Should the customer wish to purchase the tool afterwards, a \$3,000 discount off the list price towards the purchase would be granted.
